BOLE

BOLE

The beautiful hemispherical shape of the BOLE gives it body. The longer the fire burns, the more fine radiant heat will emanate from the BOLE. This highly alluring fire bowl invites everyone to gather around it.

FEATURES

With its modern design, this steel fire bowl will look splendid in any garden. This decorative fire feature will turn your garden into a place of warmth and cosiness. Our fire bowls are multifunctional. They have a hole that can be sealed with a rubber stopper so they can also be used as a water bowl.

SPECIFICATIONS

- 5-year guarantee.
- Steel fire bowls are hard-wearing, weatherproof, low-maintenance and durable.
- The steel has a thickness of 4 mm.

KEY POINTS TO NOTE

- Be aware! Fire bowls made of steel will eventually develop rust. Our fire bowls are made of thick sheet metal, which means that they will not corrode easily.
- Products should be unpacked immediately upon receipt to release any moisture trapped inside the packaging. If the product is left in its packaging, it may develop uneven rust patches.
- The fire bowl should be placed on a firm, flat, heat-resistant surface.
- The weathering process may cause rust run-off.
- We do not recommend using steel within 2 km of a coastline.
- The guarantee is void if the product is drilled, sanded or scoured in a manner other than prescribed.

Maintenance

All our accessories meet the highest standards and are an highly suitable addition to our products. Visit www.forno.eu for a complete overview of our accessories.

RUST ACCELERATOR

Our Corten Steel products are delivered un-rusted and the weathering process will take approximately 4-5 months. This process can be accelerated with the BIO rust accelerator available on our website.

Always read the descriptions on the packaging carefully before use.

FORNO

IGNITE YOUR NATURE

Spending time outdoors has soared in popularity over the last few years, becoming an increasingly important part of our daily lives. FORNO offers a diverse range of products guaranteed to enhance the outdoor experience. Our collections create an ambience in which you can enjoy your garden to the fullest.

All our products have their own character, but they are designed to work together, allowing you to create endless combinations. The materials, finishes and styles are repeated across the collections so that they coordinate beautifully. The result? A long-lasting, stylish garden design: from fire tables to exclusive outdoor kitchens and from sturdy fireplaces to timeless wood storage.

We design and manufacture all our products in-house, ensuring that we can continue to provide the high quality that you have come to expect from us. And we do this at the most competitive price possible. All our products are made in Europe with the utmost care, so we can be sure that they meet our exacting standards.
