

**ONE TO SIT**

## Product information: Fibreglass furniture

The furniture is manufactured with high-quality reinforced fibreglass. Because the reinforcement has been extended into the corners, these corners cannot tear out. The furniture is coloured through the entire material and will therefore retain its colour. As standard all fibreglass furniture are supplied in RAL 9016.

### Advantages:

- Manufactured with high-quality reinforced Fibreglass
- Frost-resistant
- Lightweight and very strong
- Coloured throughout the entire material, RAL 9016 as standard
- 5 year warranty

### Important:

- The products must be unpacked immediately after delivery so any moisture between the packaging and the product is not sealed. This can cause stains that are difficult to remove.
- Fibreglass furniture must always be placed directly on a flat surface.

### Optional:

- Available in RAL colours: 7006 | 7016 | 7035 | 9005 | 9010 | 7021 (10% surcharge)
- Professional CLEANER/PROTECTOR available (100% biodegradable)

### Maintenance:

- We recommend that the furniture is be cleaned at least twice a year with our cleaner+protector. This ensures that the dirt drawn out of the pores. Then treat the product again with the cleaner+protector, which provides a protective layer of wax.

User instructions cleaner+protector:

1. Rinse the planter with a hose to remove (Do not use a high-pressure cleaner!)
2. Spray the cleaner+protector on the outside of the product (100% biodegradable)
3. The cleaner ensures all dirt is drawn out of the pores
4. Clean after 1 minute with water and a scrub (brush with soft bristles!)
5. Rinse with water again
6. Aply the CLEANERR+PROTECTOR with a soft cloth to protect your furniture against dirt
