

This technical drawing illustrates the design of a circular perforated plate. The main view shows a rectangular plate with a width of 1100 and a height of 1800. A circular pattern of holes is centered on the plate. The holes are arranged in a staggered grid, with a diameter of 10 mm and a pitch of 22 mm. The plate has a thickness of 2 mm. A detail view shows the edge of the plate, indicating a 10 x 22 hole and a 16 x 24 slot. The drawing includes a title block with the following information:
