## Corten steel

SUSTAINABLE

LONG LIFESPAN

ROBUST AND STRONG

### ABOUT THE MATERIAL

The strong orange-brown colour of the ONYX planter comes from a natural rust layer, which gives it a warm appearance. Corten steel, also known as weather-resistant steel, is a mix of metals that forms a protective layer against corrosion. This greatly extends the lifespan of the planter.

### OTHER FEATURES

- The planters are strong and wear-resistant.
- Weather-resistant and low-maintenance material.
- The rusting process of corten steel takes about 4-5 months, depending on weather conditions.

## Aluminium

LIGHTWEIGHT

CORROSION-RESISTANT

QUALICOAT CLASS 2

### ABOUT THE MATERIAL

Aluminium is resistant to corrosion and available in any RAL colour and our special coatings. It is lightweight and easy to work with, making it ideal for many applications. Aluminium can stay outdoors all year round without damage or cracking due to frost. This means you can enjoy the ONYX planter for many years.

### OTHER FEATURES

- 5-year warranty.
- Wear-resistant, weather-resistant, low-maintenance and durable.
- Scratch-resistant top layer, Qualicoat class.
- Matt finish coating.

DESIGN TO GROW

Spending time outdoors has soared in popularity over the last few years, becoming an increasingly important part of our daily lives. Our brands ADEZZ, FORNO and FURNS offer a diverse range of products guaranteed to enhance the outdoor experience. Our collections create an ambience in which you can enjoy your garden to the fullest.

All brands have their own character, but they are designed to work together, allowing you to create endless combinations. The materials, finishes and styles are repeated across the collections so that they coordinate beautifully. The result? A long-lasting, stylish garden design: from sleek edging to exclusive furniture and from sturdy fireplaces to elegant water tables.

We design and manufacture all our products in-house, ensuring that we can continue to provide the high quality that you have come to expect from us. And we do this at the most competitive price possible. All our products are made in Europe with the utmost care, so we can be sure that they meet our exacting standards.
