Retaining walls

REVERT

REVERT

Retaining walls are perfect for separating lawns, borders, and paving. You can even use them to create planters! By adding a seating edge to the retaining wall, you can easily create extra seating space in your garden. Our retaining wall seating is available in various durable wood types.

Our stylish REVERT variant tapers elegantly and appears to float. With a range of available sizes, angles, and curves, you can effortlessly create your desired shape. Easily connect the retaining walls seamlessly with our coupling system.

LOW MAINTENANCE

LONG LIFESPAN

DURABLE AND STRONG

ABOUT THE MATERIAL

The distinctive orange-brown colour of the retaining wall comes from a natural rust layer, which gives it a warm and unique appearance. Corten steel, also known as weathering steel, is a blend of metals that forms a protective layer against corrosion, significantly extending its lifespan.

OTHER CHARACTERISTICS

- Retaining walls are strong and wear-resistant.
- Weatherproof and low-maintenance material.
- Includes stainless steel fittings for easy coupling.
- The rusting process of corten steel takes approximately 4–5 months, depending on weather conditions.

Aluminium

LIGHTWEIGHT

CORROSION-RESISTANT

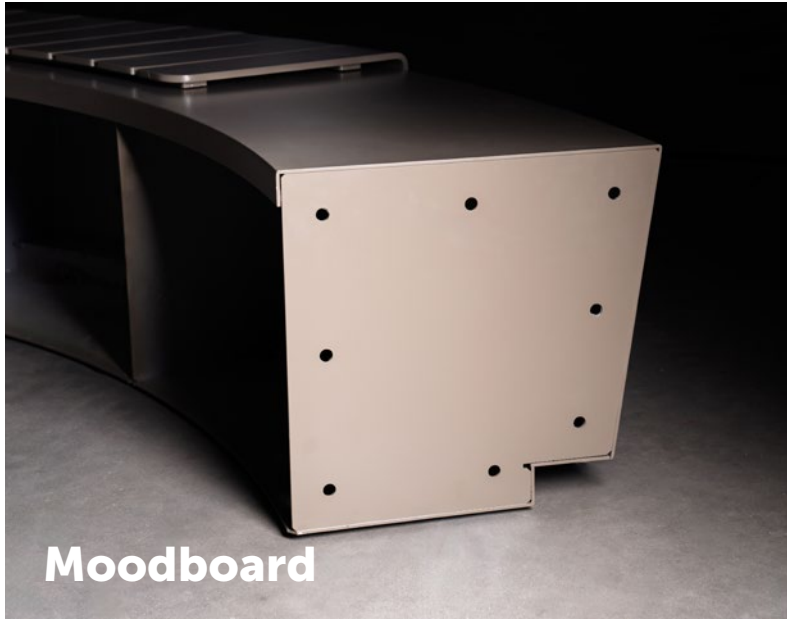

QUALICOAT CLASS 2
CERTIFIED

ABOUT THE MATERIAL

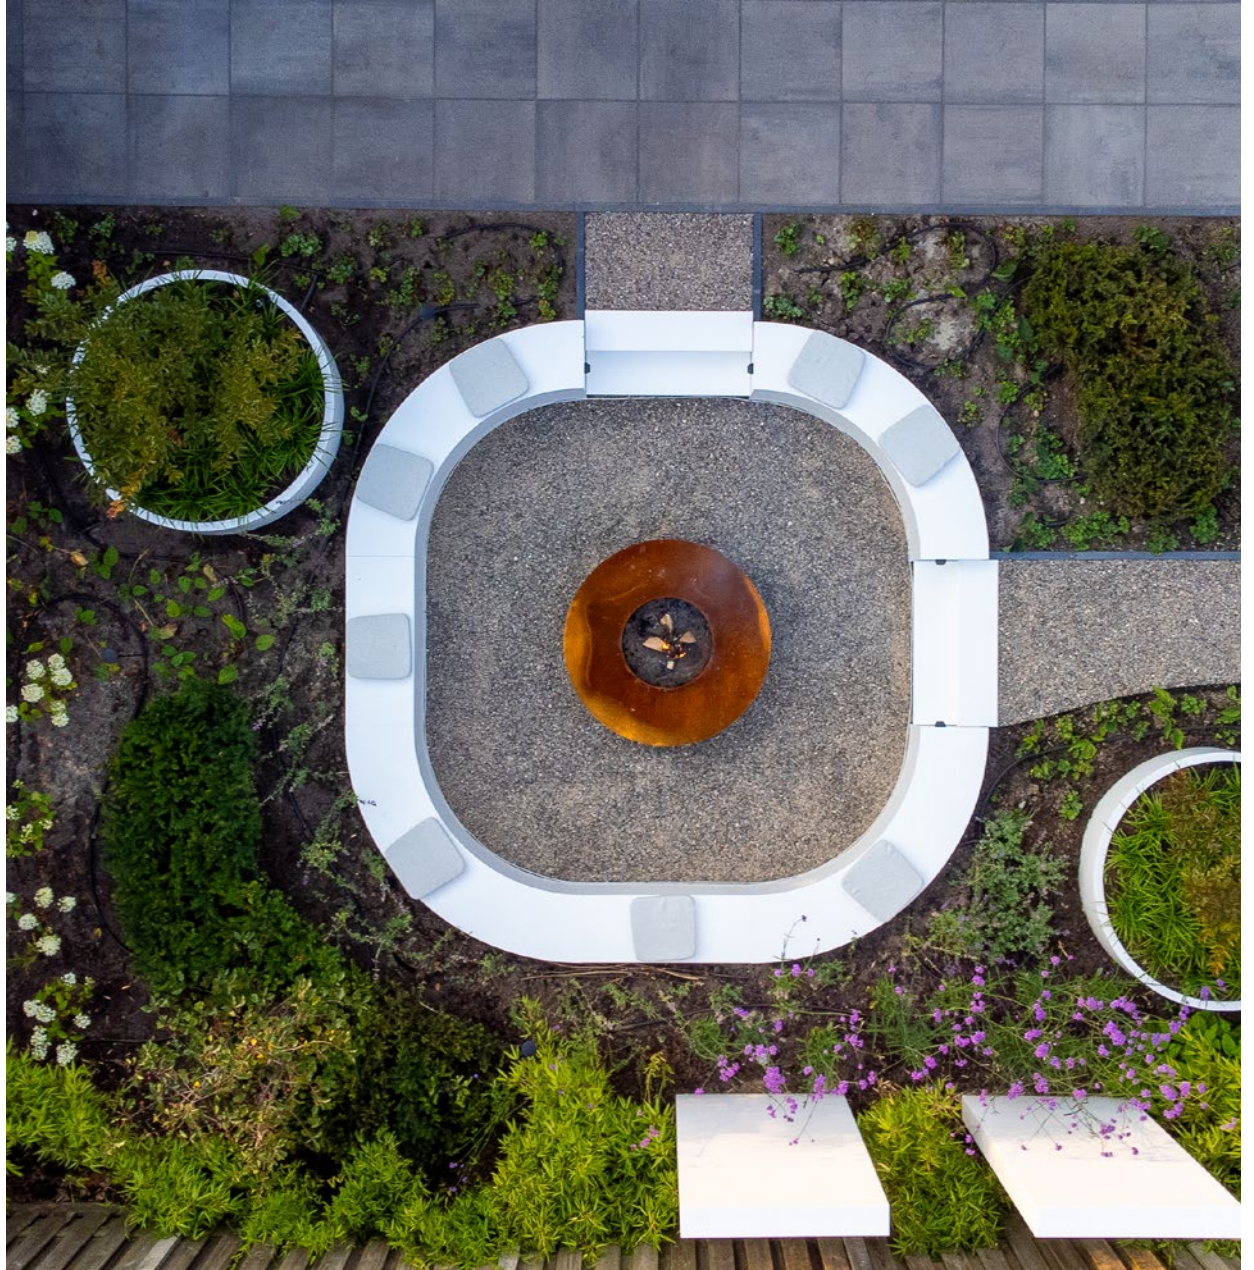

Aluminium is bestand tegen corrosie en verkrijgbaar in meerdere kleuren. Het is lichtgewicht en gemakkelijk te verwerken, waardoor het ideaal is voor verschillende toepassingen. Het kan het hele jaar buiten blijven zonder te beschadigen of kapot te vriezen. Je hebt dus jarenlang plezier van deze keerwanden!

OTHER CHARACTERISTICS

- Het aluminium ondergaat meerdere bewerkingen om de kwaliteit te waarborgen.
- De poedercoating wordt aangebracht met een sterke hechtlaag.
- Beschikbaar in alle RAL kleuren en onze speciale coatings.
- Krasvast materiaal.

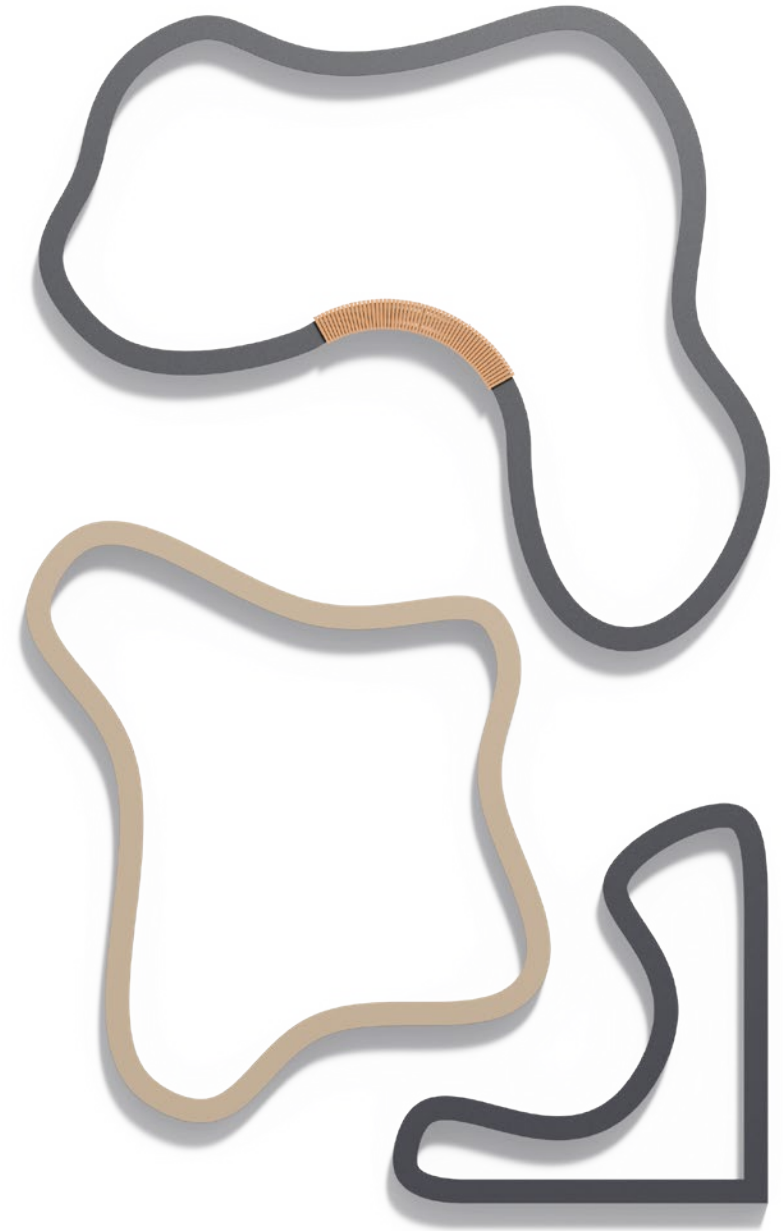

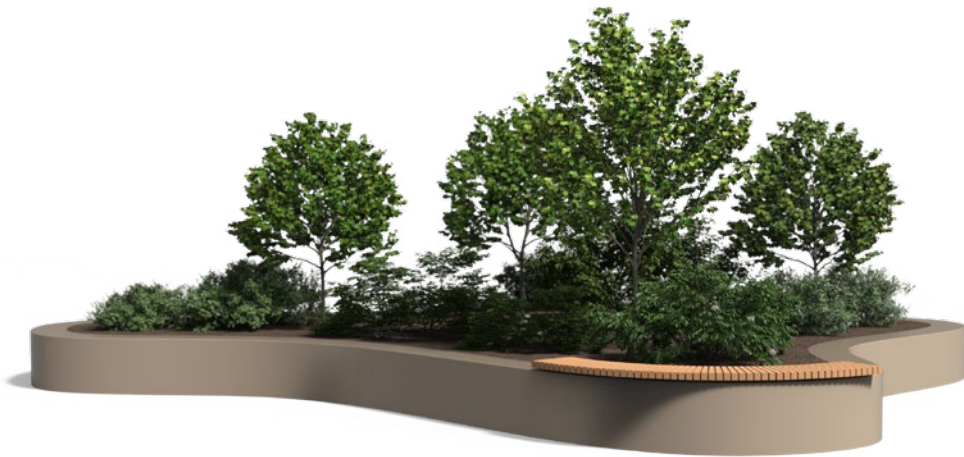

Moodboard

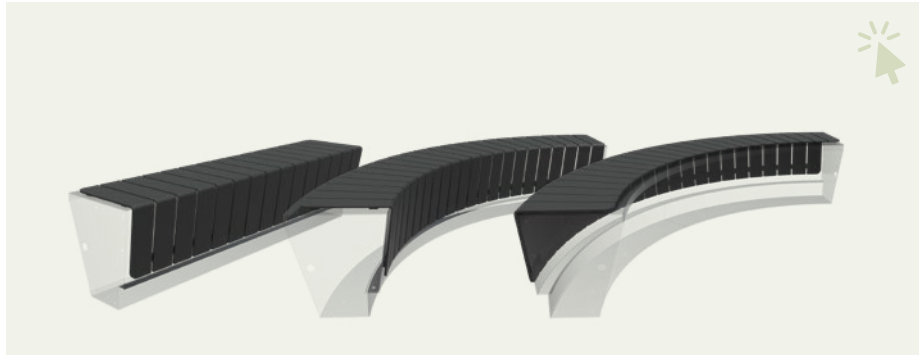

Design possibilities

With the REVERT retaining walls, you can design your garden exactly as you envision, creating unique shapes and levels. These flexible elements combine functionality, durability, and style. Quickly add a personal touch to your outdoor space!

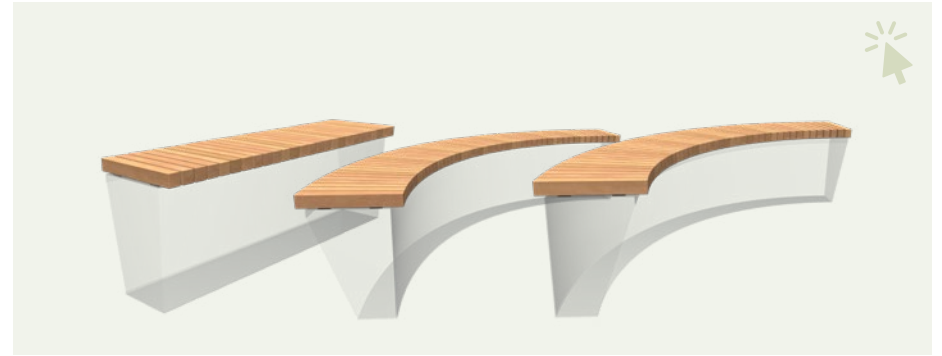

Options

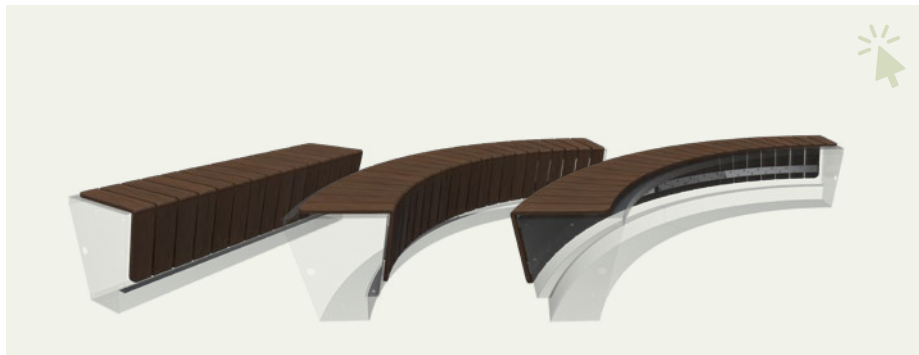

Easily add extra seating with our hardwood tops, available in straight or rounded designs. These seating tops are made from durable hardwood and come pre-mounted on galvanised steel strips, making installation on the REVERT retaining wall quick and simple! Refer to [page 2](#) for the available wood types.

ADEZZ

DESIGN TO GROW

Spending time outdoors has soared in popularity over the last few years, becoming an increasingly important part of our daily lives. Our brands ADEZZ, FORNO and FURNS offer a diverse range of products guaranteed to enhance the outdoor experience. Our collections create an ambience in which you can enjoy your garden to the fullest.

All brands have their own character, but they are designed to work together, allowing you to create endless combinations. The materials, finishes and styles are repeated across the collections so that they coordinate beautifully. The result? A long-lasting, stylish garden design: from sleek edging to exclusive furniture and from sturdy fireplaces to elegant water tables.

We design and manufacture all our products in-house, ensuring that we can continue to provide the high quality that you have come to expect from us. And we do this at the most competitive price possible. All our products are made in Europe with the utmost care, so we can be sure that they meet our exacting standards.
