MERO

MERO

Add a soft, organic touch to any garden design with MERO. Its rounded shape brings calm, balance, and style—whether placed on a wooden deck or paired with natural materials. Unique in its simplicity, with no sharp corners or edges, the MERO creates a smooth, spherical look. Perfect for a sleek, modern garden that deserves a touch of warmth and atmosphere.

FIBERGLASS**

ABOUT THE MATERIAL

Fibreglass is a strong composite material made from glass fibres and resin. This makes it durable, weather-resistant, and ideal for use on balconies or rooftop terraces. Thanks to a long-lasting gelcoat, fibreglass retains its colour and appearance even after prolonged exposure to sunlight and the elements.

OTHER CHARACTERISTICS

- Lightweight material with a modern look.
- Fibreglass allows for design flexibility, enabling beautiful rounded shapes.
- Available in a range of RAL colours.

ADEZZ

DESIGN TO GROW

Spending time outdoors has soared in popularity over the last few years, becoming an increasingly important part of our daily lives. Our brands ADEZZ, FORNO and FURNS offer a diverse range of products guaranteed to enhance the outdoor experience. Our collections create an ambience in which you can enjoy your garden to the fullest.

All brands have their own character, but they are designed to work together, allowing you to create endless combinations. The materials, finishes and styles are repeated across the collections so that they coordinate beautifully. The result? A long-lasting, stylish garden design: from sleek edging to exclusive furniture and from sturdy fireplaces to elegant water tables.

We design and manufacture all our products in-house, ensuring that we can continue to provide the high quality that you have come to expect from us. And we do this at the most competitive price possible. All our products are made in Europe with the utmost care, so we can be sure that they meet our exacting standards.
