LORA

LORA

The round shape brings peace, balance, and design. Whether it stands on a wooden terrace or is combined with natural materials, LORA always fits. The sleekly finished design angles inward at the top and plays with volume: wide at the bottom, elegant in the middle, and subtly flaring out at the top. Perfect for a modern garden with a warm, natural appearance.

FIBREGLOSS**

ABOUT THE MATERIAL

Fibreglass is a strong composite material consisting of glass fibres and resin. This makes it durable, weather-resistant, and ideal for use on balconies or roof terraces. Fibreglass retains its colour and appearance due to a durable gelcoat, even with prolonged exposure to sunlight and weather conditions.

OTHER FEATURES

- Lightweight material with a modern appearance.
- Fibreglass offers freedom of form, allowing for beautiful round shapes.
- Choice of various RAL colours.

ADEZZ

DESIGN TO GROW

Spending time outdoors has soared in popularity over the last few years, becoming an increasingly important part of our daily lives. Our brands ADEZZ, FORNO and FURNS offer a diverse range of products guaranteed to enhance the outdoor experience. Our collections create an ambience in which you can enjoy your garden to the fullest.

All brands have their own character, but they are designed to work together, allowing you to create endless combinations. The materials, finishes and styles are repeated across the collections so that they coordinate beautifully. The result? A long-lasting, stylish garden design: from sleek edging to exclusive furniture and from sturdy fireplaces to elegant water tables.

We design and manufacture all our products in-house, ensuring that we can continue to provide the high quality that you have come to expect from us. And we do this at the most competitive price possible. All our products are made in Europe with the utmost care, so we can be sure that they meet our exacting standards.
