Corten steel

LOW MAINTENANCE

LONG SERVICE LIFE

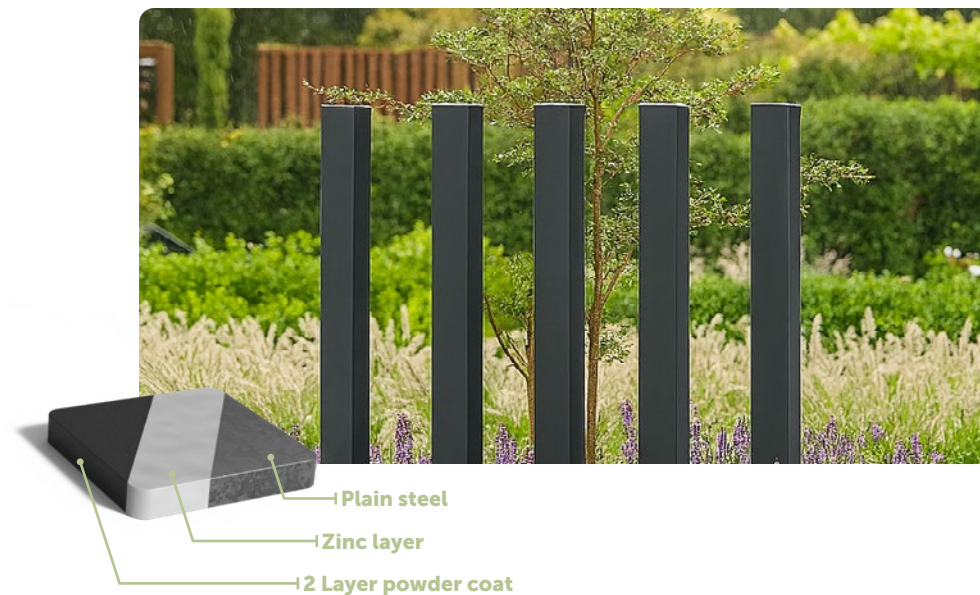

ROBUST AND STRONG

ABOUT THE MATERIAL

The powerful orange-brown colour of the garden posts comes from a natural rust layer. This layer creates a warm appearance. Corten steel, also known as weather-resistant steel, is an alloy of metals that forms a protective layer against corrosion. This significantly extends its lifespan.

OTHER CHARACTERISTICS

- Wear-resistant
- Weatherproof and low maintenance
- The rusting process takes 4-5 months

ADEZZ

DESIGN TO GROW

Spending time outdoors has soared in popularity over the last few years, becoming an increasingly important part of our daily lives. Our brands ADEZZ, FORNO and FURNS offer a diverse range of products guaranteed to enhance the outdoor experience. Our collections create an ambience in which you can enjoy your garden to the fullest.

All brands have their own character, but they are designed to work together, allowing you to create endless combinations. The materials, finishes and styles are repeated across the collections so that they coordinate beautifully. The result? A long-lasting, stylish garden design: from sleek edging to exclusive furniture and from sturdy fireplaces to elegant water tables.

We design and manufacture all our products in-house, ensuring that we can continue to provide the high quality that you have come to expect from us. And we do this at the most competitive price possible. All our products are made in Europe with the utmost care, so we can be sure that they meet our exacting standards.
