COVE
WATER FEATURES

COVE

Inspired by a crater lake, the COVE adds something special to your garden. The clean, conical design immediately catches the eye. Flowing water brings both peace and life. And when night falls? The LED lights create a warm, welcoming glow.

Corten steel

SUSTAINABLE

LONG LIFESPAN

ROBUST AND STRONG

ABOUT THE MATERIAL

The striking orange-brown colour of the COVE comes from a natural rust layer, giving it a warm and distinctive look. Corten steel, also known as weathering steel, is an alloy that forms a protective layer against corrosion, significantly extending its lifespan.

OTHER FEATURES

- Wear-resistant
- Weatherproof
- The rusting process takes 4–5 months

Aluminium

2 Layer powder coating

Aluminium

LIGHTWEIGHT

CORROSION-RESISTANT

QUALICOAT CLASS 2

ABOUT THE MATERIAL

Aluminium is highly resistant to corrosion and available in every RAL colour as well as our special coatings. It's lightweight and easy to work with, making it ideal for various applications. Designed to withstand all seasons, it won't freeze or crack, so you can enjoy your water table for years to come.

OTHER FEATURES

- Multiple treatments ensure premium quality
- Powder coating applied with a strong adhesive layer
- Available in 10 RAL colours
- Scratch-resistant thanks to Qualicoat Class 2

ADEZZ

DESIGN TO GROW

Spending time outdoors has soared in popularity over the last few years, becoming an increasingly important part of our daily lives. Our brands ADEZZ, FORNO and FURNS offer a diverse range of products guaranteed to enhance the outdoor experience. Our collections create an ambience in which you can enjoy your garden to the fullest.

All brands have their own character, but they are designed to work together, allowing you to create endless combinations. The materials, finishes and styles are repeated across the collections so that they coordinate beautifully. The result? A long-lasting, stylish garden design: from sleek edging to exclusive furniture and from sturdy fireplaces to elegant water tables.

We design and manufacture all our products in-house, ensuring that we can continue to provide the high quality that you have come to expect from us. And we do this at the most competitive price possible. All our products are made in Europe with the utmost care, so we can be sure that they meet our exacting standards.
