TRELLIS

Discover our TRELLIS: the natural way to divide outdoor spaces. Made from high quality coated steel or corten steel – strong, durable and weather resistant. Its clean design gives any garden a modern look, while the robust materials ensure long lasting quality. With the simple system, you can quickly create green walls that offer privacy and enhance the atmosphere.

The TRELLIS is easy to install and can be positioned flexibly, anywhere from the centre to the back of the planter. Combine it with one of our rectangular planters for a naturally effortless look in your garden.

Corten steel

LOW MAINTENANCE

LONG LIFESPAN

ROBUST AND STRONG

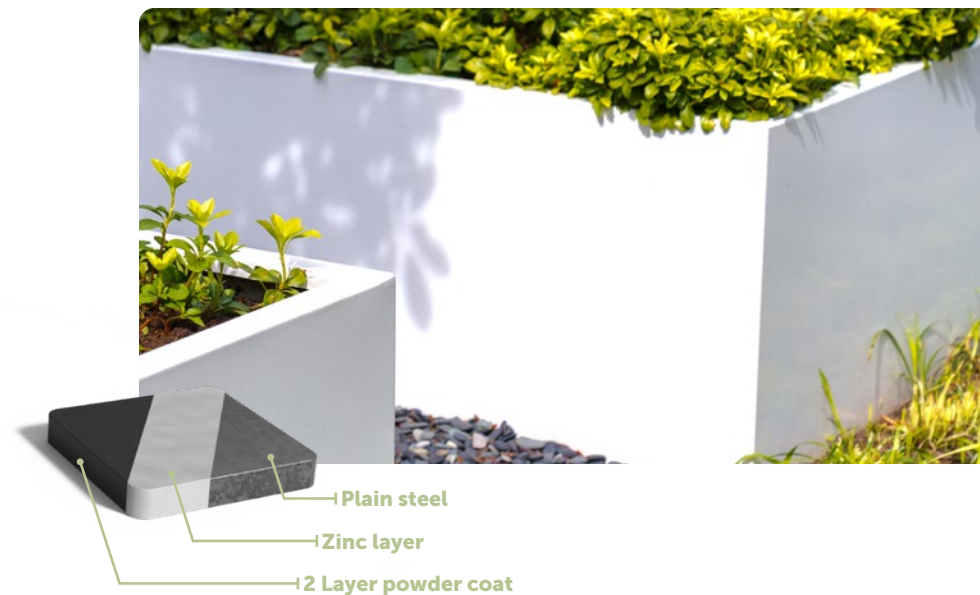

ABOUT THE MATERIAL

The warm orange brown colour of corten steel forms naturally through a rust layer. This layer protects against corrosion and significantly extends the lifespan. Perfect for outdoor use: strong, wear resistant and full of natural character. Ideal for TRELLIS – a durable solution for creating green walls.

OTHER FEATURES

- Weatherproof and low maintenance
- Strong and wear resistant
- Rusting process takes around 4–5 months, depending on the weather

Coated steel

SCRATCH-PROOF

CORROSION-RESISTANT

WEAR RESISTANT TOP LAYER

ABOUT THE MATERIAL

Coated steel is strong, durable and resistant to impact and wear. The steel is first thermally galvanised and then finished with a premium powder coating. This coating consists of an adhesive primer and a wear resistant top layer. Available in all RAL colours.

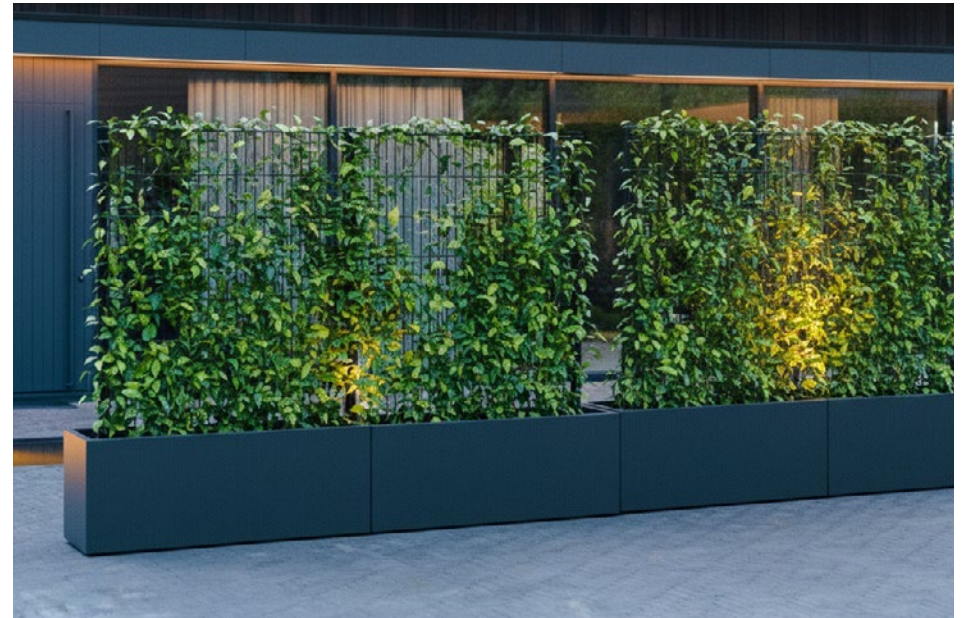

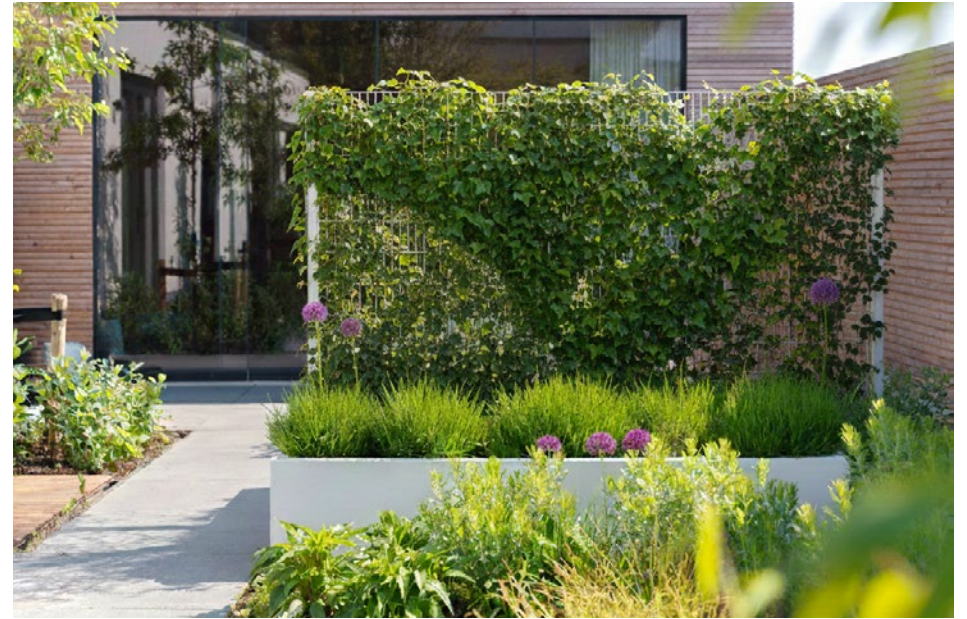

OTHER FEATURES

- Multiple treatments ensure long lasting quality
- Powder coating applied with a strong adhesive layer
- Available in various RAL colours
- Scratch resistant thanks to our coating

ADEZZ

DESIGN TO GROW

Spending time outdoors has soared in popularity over the last few years, becoming an increasingly important part of our daily lives. Our brands ADEZZ, FORNO and FURNS offer a diverse range of products guaranteed to enhance the outdoor experience. Our collections create an ambience in which you can enjoy your garden to the fullest.

All brands have their own character, but they are designed to work together, allowing you to create endless combinations. The materials, finishes and styles are repeated across the collections so that they coordinate beautifully. The result? A long-lasting, stylish garden design: from sleek edging to exclusive furniture and from sturdy fireplaces to elegant water tables.

We design and manufacture all our products in-house, ensuring that we can continue to provide the high quality that you have come to expect from us. And we do this at the most competitive price possible. All our products are made in Europe with the utmost care, so we can be sure that they meet our exacting standards.
