

AERA PICNIC SET

ADEZZ

DESIGN TO GROW

AERA

DESIGNED FOR OUTDOOR LIVING

With AERA, your garden becomes a place to come together. The combination of a minimalist base and high-quality wood creates a modern look with a warm, natural touch. Thanks to the carefully finished details, soft lines and rounded corners, the set has a timeless feel. Enjoy the great outdoors, from the first days of spring to long summer evenings.

- Also available in bamboo or Kebony: strong and natural alternatives to tropical hardwood.
- Coating in any RAL colour to match your garden.
- Delivered in 3 compact parts, easy to assemble yourself.
