Parcel letterboxes
CASE - PACA

Parcel letterboxes

ALWAYS RECEIVE YOUR MAIL AND PACKAGES IN A SAFE WAY

Are you often not at home when packages are delivered? No need to worry anymore! With ADEZZ parcel mailboxes, you will always receive your mail and packages in a safe way, even if you are not at home.

The parcel letterboxes are equipped with a handy flap that fits your parcel effortlessly. The delivery person places the parcel in the flap and as soon as it is closed, the parcel slides down safely. The top of the letterbox closes automatically. Thanks to the handy lock in the door, you can collect your parcel whenever it suits you.

Corten steel

LOW MAINTENANCE

LONG LIFESPAN

DURABLE AND STRONG

ABOUT THE MATERIAL

The powerful orange-brown colour of the retaining wall comes from a natural layer of rust, which gives it a warm appearance. Corten steel, also known as weathering steel, is an alloy of metals that forms a protective layer against corrosion, which considerably extends its lifespan.

OTHER CHARACTERISTICS

- The parcel boxes are strong and wear-resistant.
- Weather-resistant and low-maintenance material.
- The rusting process of weathering steel takes about 4-5 months, depending on the weather conditions.

Aluminium

LIGHTWEIGHT

CORROSION-RESISTANT

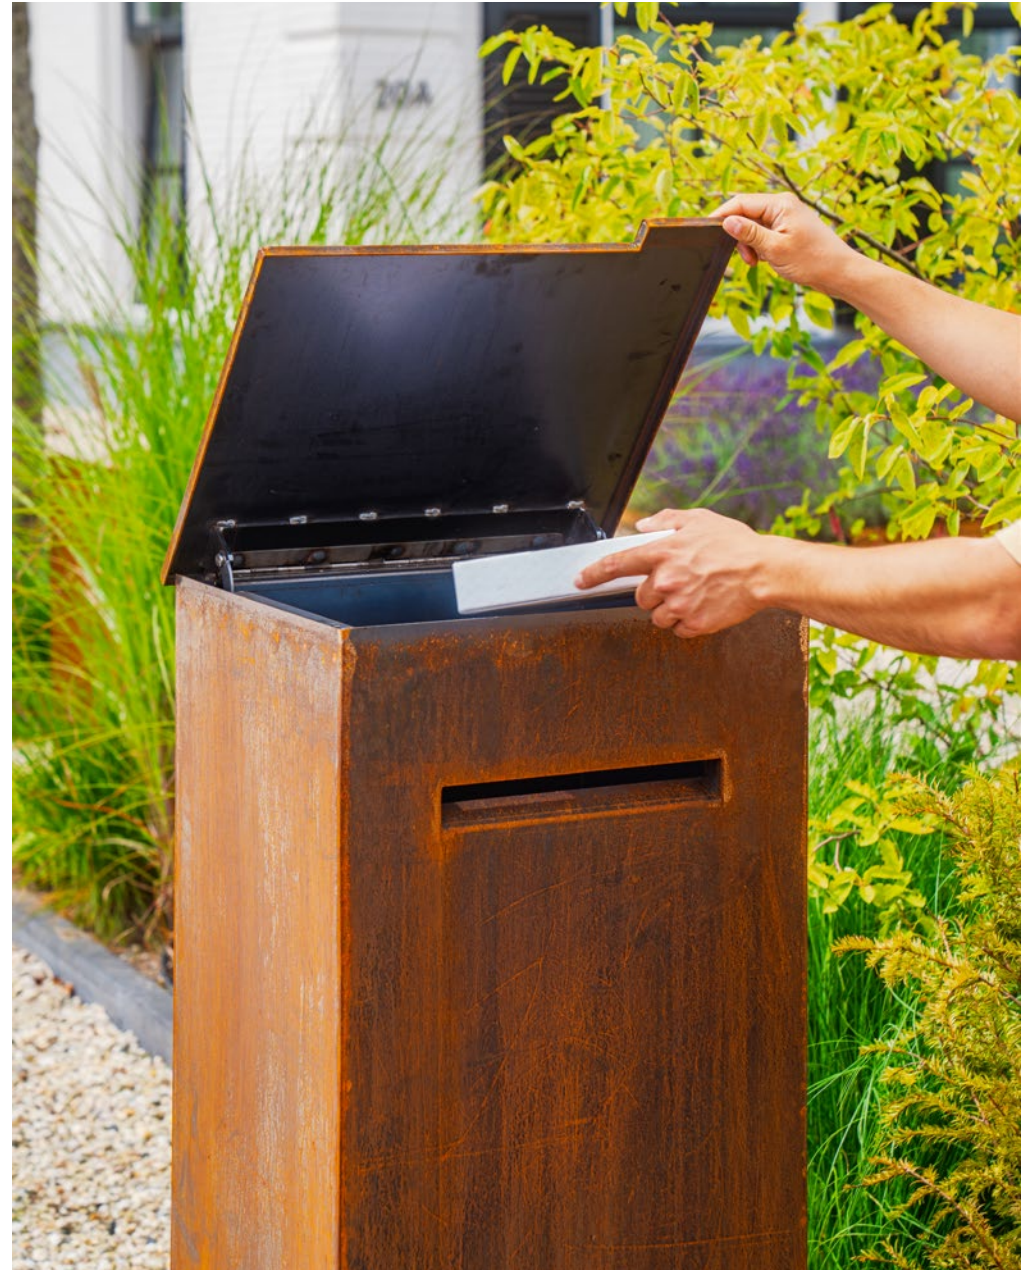

QUALICOAT CLASS
2 CERTIFIED

ABOUT THE MATERIAL

Aluminium is resistant to corrosion and available in any colour and with our special coatings. It is lightweight and easy to work with, making it ideal for various applications. It can remain outside all year round without being damaged or breaking in the frost. So you can enjoy these parcel boxes for years.

OTHER CHARACTERISTICS

- The aluminium undergoes several processes to guarantee quality.
- The powder coating is applied with a strong adhesive layer.
- Available in all RAL colours and our special coatings.
- Scratch-resistant material.

ADEZZ

DESIGN TO GROW

Spending time outdoors has soared in popularity over the last few years, becoming an increasingly important part of our daily lives. Our brands ADEZZ, FORNO and FURNS offer a diverse range of products guaranteed to enhance the outdoor experience. Our collections create an ambience in which you can enjoy your garden to the fullest.

All brands have their own character, but they are designed to work together, allowing you to create endless combinations. The materials, finishes and styles are repeated across the collections so that they coordinate beautifully. The result? A long-lasting, stylish garden design: from sleek edging to exclusive furniture and from sturdy fireplaces to elegant water tables.

We design and manufacture all our products in-house, ensuring that we can continue to provide the high quality that you have come to expect from us. And we do this at the most competitive price possible. All our products are made in Europe with the utmost care, so we can be sure that they meet our exacting standards.
