SERA chair

SERA chair

A bold, clean, minimalist design. The simplicity of the SERA chair makes it the perfect complement to all the tables in our collection. This chair will make your garden furniture set complete.

FEATURES

The SERA chair is made of high-quality fibreglass polypropylene (plastic) and is available in several colours. The SERA chair's simplicity makes it easy to mix and match, and it's also stackable.

Because this chair is made from plastic, it is weatherproof and not affected by moisture. It will not rot or mould when exposed to rain, for example. The material will also not warp in the sun, and since it is UV resistant, it will also not discolour or fade. You will enjoy this product for many years.

SPECIFICATIONS

- 5-year guarantee.
- Reinforced to prevent warping.
- Plastic SERA chairs are very lightweight, strong, weatherproof, and low maintenance.
- The chairs are stackable, making them easy to store.
- Available in white, black, grey and taupe as standard.
- We also supply professional maintenance products.

KEY POINTS TO NOTE

- Products should be unpacked immediately upon receipt to release any moisture trapped inside the packaging. This moisture can cause stains that are difficult to remove.
- If used outdoors, clean at least twice a year. Spray the furniture with ADEZZ cleaner/protector to draw dirt out of the pores, then rinse clean with tap water. Finally, repeat the application of ADEZZ cleaner/protector to provide optimal protection against dirt and grime.
- Do not use a pressure washer and/or scouring pad to clean our garden furniture. This damages the coating.

OPTIONAL

- Complete the set! See our tables for ways to create a beautiful garden furniture set with the SERA chairs.
