Corten steel

LOW MAINTENANCE

LONG LIFESPAN

ROBUST AND STRONG

ABOUT THE MATERIAL

Corten steel products will add warmth and boldness to any garden, thanks to the orange-brown patina on the metal. This unique patina is created by a natural layer of rust, giving the metal its distinctive weatherproof quality. Known as weatherproof steel, this alloy forms a protective barrier against corrosion, significantly extending its lifespan.

OTHER FEATURES

- The letterboxes are strong and wear-resistant.
- Weatherproof and low-maintenance.
- The rusting process of Corten steel takes about 4-5 months.

Aluminium

LIGHTWEIGHT

CORROSION-RESISTANT

QUALICOAT CLASS 2

ABOUT THE MATERIAL

Aluminium is corrosion-resistant and available in any colour, including our special coatings. The letterboxes are lightweight and easy to combine with other aluminium products in your garden. The material can withstand outdoor conditions all year round without damage or breaking, even in freezing temperatures. You can enjoy aluminium letterboxes for many years.

OTHER FEATURES

- The aluminium passes through several processes to ensure quality.
- The powder coating is applied with a strong adhesive layer.
- Available in all RAL colours plus our special coatings.
- With a scratch-resistant topcoat.

ADEZZ

DESIGN TO GROW

Spending time outdoors has soared in popularity over the last few years, becoming an increasingly important part of our daily lives. Our brands ADEZZ, FORNO and FURNS offer a diverse range of products guaranteed to enhance the outdoor experience. Our collections create an ambience in which you can enjoy your garden to the fullest.

All brands have their own character, but they are designed to work together, allowing you to create endless combinations. The materials, finishes and styles are repeated across the collections so that they coordinate beautifully. The result? A long-lasting, stylish garden design: from sleek edging to exclusive furniture and from sturdy fireplaces to elegant water tables.

We design and manufacture all our products in-house, ensuring that we can continue to provide the high quality that you have come to expect from us. And we do this at the most competitive price possible. All our products are made in Europe with the utmost care, so we can be sure that they meet our exacting standards.
